Dear Kids on the Block,  
Thank you very much for the fantastic performance about bullying. I thought your show was very informative. I learned what and what not to do when you encounter a bully. I really enjoyed your words. I think they gave some people hope. Thanks again for all the time you spent with us.

Sincerely,  
Matthew

Dear Kids On the Block,

Thank you for the wonderful presentation. I loved how you taught us about bullying. The puppets really turned me into learning. You're both really good at teaching students around Nebraska.

It is important to learn not to bully. Again, thank you, and I hope to see you again.

Dear Brenda,  
On behalf of the students and staff at Bell Field and Howard Elementary Schools in Fremont, thank you for visiting our schools and teaching us about autism. The students loved the puppets, and they really retained the 3 words you taught them! We hope you will be able to visit us and perform again next year!
